TUSKEGEE NATIONAL ALUMNI ASSOCIATION
2019 ALUMNI CLUB DIRECTORY

Dear Graduates of 2019:

Tuskegee National Alumni Association (TNAA) History

When the first class of thirty students graduated from Tuskegee Normal School in 1885, Mr. B. Town Harvey, valedictorian of the class, called them together and they organized the Tuskegee Alumni Association, making him President. For the next ten years this alumni body met principally on special occasions at the University, added the new graduates to its membership roster and made financial contributions to the Alma Mater.

In 1905, Ms. Mamie Abercrombie called together her classmates and schoolmates who lived in Montgomery, Alabama and organized the first o -campus Tuskegee Alumni Club. In 1910, the second o -campus Tuskegee Club was organized in Chicago and the trend continued until there were eighty (80) plus of these Clubs and six (6) Professional Associations throughout the United States.

In 1916, Mr. Jesse O. omas, class of 1911, initiated the movement that led to the organization of the Tuskegee General Alumni Association, which met annually and convened every third year at the University. is body was strengthened and in 1938, when Mr. Ernest L. Dimitry, class of 1916, led a movement that organized the first Region to coordinate local club developments in the Northeastern part of the Country. In 1964, the organization was formalized as the Tuskegee National Alumni Association (TNAA) at the 7th Triennial Convention in Cleveland, Ohio with Mr. Daniel W. Andrews, class of 1922, presiding as the Association's first National President.

Subsequent Presidents have been: Dr. Edward W. Brice '38, Dr. Grady W. Taylor 38', Mr. George E. Haynes, Jr. '42, Dr.
