

Tuskegee University, School of Education - General Science Education Curriculum Release

Name:

ID#:

Course	Cr.	Gr.	Sem/Yr	Category	Remarks	Pr.	Gr.	Sem/Yr	Category	Remarks	Pr.	Gr.	Sem/Yr	Category
BIOL 0100 Freshman Seminar	1													
BIOL 0113 Freshman Seminar	1													
ENGL 0101 English Composition	3													
HIST 0100 American History	3													
MATH 0107 College Alg. & Trig. I	3													
MATH 0108 College Alg. & Trig. II	4													
PHYS 0101 Orientation	1													
PHYS 0102 Physical Education Elective	1													
PHYS 0103 Physical Education Elective	1													
PHYS 0104 Physical Education Elective	1													
PHYS 0105 Physical Education Elective	1													
<b>Total Credits</b>	<b>21</b>													
Sophomore 2nd Sem														
BIOL 0201 Cell Biology Lab	1													
ENGL 0201 Adv. Composition	3													
PHYS 0201 General Physics Lab	3													
PHYS 0202 General Physics	3													
PHYS 0203 General Physics	3													
PHYS 0204 General Physics	3													
PHYS 0205 General Physics	3													
<b>Total Credits</b>	<b>16</b>													
Junior 3rd Sem														
CHEM 0301 Gen. Chemistry Lab	1													
EDUC 0350 Foundations of Education	3													
EDUC 330G Curr Principles Sec Science	3													
PHYS 0301 or 0302 Gen. Chemistry	4													
PHYS 0302 or 0301 Gen. Chemistry	4													
PHYS 0303 Gen. Chemistry	4													
PHYS 0304 Gen. Chemistry	4													
<b>Total Credits</b>	<b>15</b>													
Senior 4th Sem														
BIOL 0250/0251 Mol. Cell & Dev. Biology	4													
CHEM 0302 Organic Chemistry	3													
CHEM 0322 Organic Chemistry Lab	1													
EDUC 0420 Intern & Technology	3													
<b>Total Credits</b>	<b>11</b>													

KEY: S=Substitution, T=Trans-Transfer Credit
